

In-House Training at VEGA UK

VEGA DTM Collection & PACTware Software Training

Course dates for 2020:

Wednesday 25th March * Wednesday 17th June

Wednesday 14th October

Looking Forward **VEGA**

Course Overview

Experienced trainers will give you a full insight in using PACTware software:

- Learn about the PACTware® system, FDT and DTM architecture
- Loading software and how to connect
- Basic commissioning and set up
- Using on and off-line modes
- Trending, recording and replaying
- Reviewing echo curves
- Saving and restoring data

This is a course aimed at users of all VEGA/PACTware capable instruments who want to use a PC for set up and maintenance.

Course Durations

1 Day, 9.00 a.m. until 5.00 pm

Venue

VEGA Controls Ltd, Kendal House, Victoria Way, Burgess Hill, West Sussex. RH15 9NF.

Price

£373 + VAT per person

£120 + VAT for one nights local accommodation and breakfast.

In addition to the training, delegates receive the latest downloadable copy of the Standard Version of PACTware and VEGA DTM Collection, training certificate, supporting information and operating manuals. Morning and afternoon refreshments, as well as lunch, will be provided.

What you will need to bring -

Just yourself... VEGA will provide you with all the tools for your training including a laptop installed with the latest PACTware Software and VEGA DTM's, a VEGACONNECT 4 to connect to the instruments and note-taking materials.

If you would like to make an enquiry on a tailored Customer Expertise Training Course on your site, call us now. We can discuss your requirements, accommodate shift patterns and plant operations to provide you and your staff with effective training and “Customer Expertise”.
