

Type Approval Exemption Information

According to official Response from CITC Authority in Saudi Arabia,

CITC final decision: Device is not under CITC authorization

As a result, currently it is not necessary to obtain Conformity Certificate from CITC for the Product:

Product Name: Indication and Adjustment Unit
Model: METF_D
Manufacturer: VEGA Grieshaber KG

Proof of application and CITC decision:

The screenshot shows the 'Device Approval Service' web interface. At the top, there is a navigation bar with 'Home > Service > Device Approval Service'. Below this, there are four tabs: 'Check Device Approval', 'Basic Information', 'Technical Info', and 'Attachments and Comments'. The 'Check Device Approval' tab is active. A table shows a log of actions:

User Name	Action Taken	Date	Comment	Attachments
iblenhardtag	Submit Request	04/09/2019 01:24 PM		

Below the table, the 'Request Number :01-04092019-8' is displayed. A yellow box contains a warning icon and the text 'Final Decision Action' and 'Reject The Request'. Below this, there are input fields for 'English Device Industrial Model*' (containing 'METF_D'), 'Manufacturer English Name*' (containing 'VEGA Grieshaber KG'), and 'Manufacturer*'. There is also a dropdown menu for 'Other' and a 'Next' button.
